

Health coverage. Get it. Use it. Keep it.

More people now qualify for free coverage.

✓ Get it:

Ways to get health coverage in Oregon are expanding. There are two options depending on how much you earn:

- More people with higher incomes now qualify for free coverage through **Oregon Health Plan**.
- The **Marketplace** offers private health insurance and nearly 80 percent of enrollees get financial help.

✓ Use it:

Once you get your coverage, call your plan or use their website to:

- Learn about your benefits.
- Find providers.
- Schedule your annual checkup, dentist visits, mental health care, and more.

✓ Keep it:

- Report any changes like income, address, or other health insurance.
- On OHP? Even if your income goes up, your coverage won't end until the next renewal.
